

# PROWLER-PRO WADING BOOTS

FELT | MSRP: \$159.99  
 RUBBER | MSRP: \$159.99

**NEW**

## DESCRIPTION

The PROWLER-PRO WADING BOOTS are our premier wading boot, light enough to provide all-day comfort and built with exceptional performance for anglers who log countless hours on the water. We built upon the success of our tried-and-tested PROWLER wading boot by updating both materials and design to create a stronger, lighter, and less absorbent wading boot. Wade with confidence in the PROWLER-PRO WADING BOOTS the next time you step in the river.

## FEATURES

- Wide sole design for enhanced comfort and increased stability
- Lightweight, shock-absorbing EVA midsole for all-day comfort
- Rugged abrasion-resistant nubuck upper for durability
- Reinforced rubber rand in high wear areas for added abrasion resistance, durability, and foot protection
- Neoprene padded liner for enhanced comfort and increased ankle support
- Improved drainage and less absorbent materials work to reduce water-log and maintain lightweight design
- Corrosion-resistant hardware with locking lace hook for a secure fit in all types of conditions
- Rubberized webbing pull-loops for easy-on
- Heel step for easy off (Heel step to kick boots off with ease after a long day of fishing)
- Available in stud-compatible felt or sticky rubber sole options
- Sticky rubber sole for secure traction both in and out of the water
- Felt sole for maximum underwater traction
