

STRIKE

STRIKE | MSRP: \$299.99

NEW

DESCRIPTION

Built for tight-line and Euro-style nymphing techniques, the medium-fast action of the STRIKE is finished with an extra-sensitive tip section for superior presentation control and strike sensitivity. With an ultralight, skeletonized reel seat and single-foot snake guides, we've reduced the overall weight of the STRIKE to help you stay out on the water longer with less fatigue. And to help you create your ideal set-up, the STRIKE features an extended handle so you can pair it with your reel of choice and still find the perfect balance point. So, whether you're trying to qualify for the world championships or just enjoying being the top rod amongst your buddies, the STRIKE rod is designed to give you the unfair advantage.

FEATURES

- Medium-fast action, with extra-sensitive tip section allows detection of the subtlest of strikes
- Extended handle allowing the angler to find the perfect balance point regardless of reel choice without increasing weight to the rod
- Skeletonized, CNC machined, anodized aluminum reel seat with Micro-fighting butt
- Black single-foot guides to reduce overall weight
- Unpainted blank for stealth appearance, reduced weight and to prevent rod flash
- Epoxy-coated section tips to prevent sticking
- Includes durable cordura rod tube with built-in rod dividers
- Lifetime warranty
