

FIELD KIT - TROUT

FIELD KIT - TROUT | MSRP: **\$349.99**

NEW

DESCRIPTION

The TROUT FIELD KIT is up for any adventure where you might find yourself casting a line in hopes to hook a hungry trout. The medium-fast action rod is perfect for the novice angler building casting technique and enjoyable to fish even for the most experienced angler. Paired up with a RUN reel and a RIO Products' RIO GOLD trout-specific fly line, the TROUT FIELD KIT is ready to fish for trout in both lakes and rivers. So as you start packing for your next adventure, don't forget to grab your TROUT KIT. Whether it's a weekend road trip or a 10-day backpacking epic somewhere remote, remember that trout don't live in ugly places.

FIELD KIT - SALMON

FIELD KIT - SALMON | MSRP: **\$349.99**

NEW

DESCRIPTION

The SALMON FIELD KIT has the stopping power to handle salmon in both the saltwater and when they return home to the rivers they came from. The medium-fast action rod is easy to cast and will handle even the largest of salmon, but you'll need more than just a good rod to land these creatures. That is why we paired it with a RUN reel and a RIO Products' RIO GRAND fly line. No matter if you're nymphing for salmon in the Great Lakes or swinging for them in Alaska, the SALMON FIELD KIT is ready for your next adventure.

SALMON ROD FEATURES

- Easy casting medium-fast action designed for any salmon-style flies
- 9-foot length for optimal performance
- Durable anodized aluminum reel seat for long lasting performance

PREMIER RIO GRAND FEATURES

- Designed for salmon anglers to easily turnover all styles of salmon flies
- Features RIO SlickCast, the slickest, most durable line coating on the market
- Weight forward taper for easy casting

RUN REEL FEATURES

- Lightweight design constructed from durable diecast aluminum
- Large arbor design for quick line retrieval
- Powerful carbon drag system that offers smooth stopping power
